## [ METABOOSTER ]™ — ACHIEVE IDEAL GROWTH

Here's a METABooster™ to help you cultivate and nurture effective leadership skills for yourself and your team, and create a path to Ideal Growth:

**Lead by Example** — Adopt the highest ethical and moral standards. Walk the talk. Be consistent and authentic. Empower others to do the same.

**Be a Partner** — Treat clients, employees and suppliers as you wish to be treated. Give as much of yourself as you demand of others. Praise and respect the efforts of others.

**Broaden the Relationship** — Look for ways to add value. Go beyond basic expectations. Always look for ways to grow and improve.

**Break all Barriers** — Become flexible and accessible. Think globally, and act locally. Avoid hierarchies or status.

**Invoke Passion** — Work with enthusiasm, confidence and commitment. Invest yourself in your work. Spread the word.

Each and every day, check this list and verify that you are following these guidelines and empowering others in your team to do the same. Dedicate yourself and others to follow the path of **Ideal Growth**.
